

## **WAU Movil Enters into Strategic Partnership with Utiba Americas, Leading Global Provider of Mobil Payment Solutions**

*WAU Movil's Extensive Mobile Transaction Network Chosen by Global Mobile Payments Leader*

**Miami, FL – February 23, 2010** – WAU Movil (pronounced “Wow”), Latin America’s largest mobile transaction network, today announced it has entered into a strategic partnership with Utiba Americas, a leading enabler of mobile financial and payment transactions in the Americas region. The strategic partnership will enable Utiba PTE Ltd and its affiliate Utiba Americas to leverage WAU’s extensive experience, relationships and network footprint to quickly and effectively expand its services in more than 17 countries throughout Latin America and the Caribbean.

Utiba Americas, a joint venture between Utiba PTE Ltd. and Alternet Systems, Inc. (OTCBB:ALYI), offers proprietary Software as a Service (SaaS) platform, operational and commercial expertise, and experience in managing fast, successful implementations of mobile financial, money remittance and payment services. Both Utiba Americas and WAU Movil have Miami-based management, facilitating the rapid deployment of services and ensuring the same quality of technical and business support throughout the Americas and the Caribbean.

Utiba Americas and Alternet CEO Henryk Dabrowski expressed enthusiasm for the partnership, stating: “Utiba and its affiliate, Utiba Americas, are very excited and committed to partnering with WAU Movil. With the Utiba platform supporting approximately 60% of global mobile payments, and over 320 million subscribers, Utiba is clearly a proven leader in this exciting new field. Utiba Americas leverages this leadership by offering a suite of mCommerce and mobile financial services on a Hosted Application Platform. In joining with WAU Movil, we will be able to leverage WAU’s extensive carrier relationships, regional footprint and messaging expertise. This partnership will help speed the deployment of mobile banking and commerce solutions in the region; truly an exciting development.”

Jorge Partidas, CEO of WAU Movil, added, “Collaboration with Utiba Americas poses exciting new possibilities for our companies and the Latin American mobile market as a whole. We are partnering with Utiba Americas for its proven leadership in mobile money and commerce solutions, product portfolio and technical support that complement our vision of being the region’s one stop shop for mobile transactions. This agreement further underscores the growing interest mobile’s leading players are showing in WAU as the gateway to Latin America.”

### **About Alternet Systems Inc. ([www.alternetsystems.com](http://www.alternetsystems.com))**

Alternet Systems Inc., (OTCBB: ALYI) a US corporation headquartered in Miami, Florida, is a leading enabler of Mobile Commerce services in the Americas and Caribbean.
